

The background is a solid teal color. It is decorated with numerous line-art illustrations of feathers in a slightly darker shade of teal. The feathers are of various sizes and orientations, some showing detailed barbs and quills. They are scattered across the entire page, creating a textured, organic feel.

The perfect introduction for young readers to Rabindranath Tagore

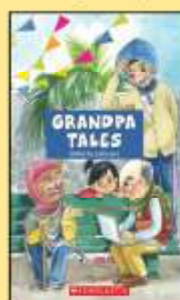

Read about the inspiring childhoods of famous people like Einstein, Helen Keller and many others.

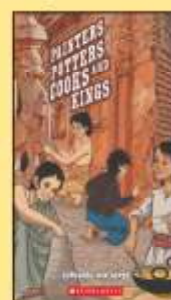

New Arrivals

An excellent book about India's freedom struggle and one girls' experience from ignorance to enlightenment.

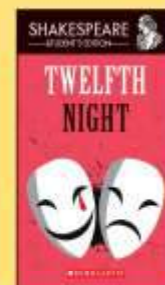

A heart-warming anthology of true tales about grandfathers who love, nurture and indulge us.

A dose of history, a dash of mystery and a dollop of adventure—find all of this in one brilliant collection.

Shakespeare Readers

Introduce younger children to the rich world of Shakespeare, but in simple prose. Prepare them to read the plays for themselves as they grow.
